

# FREAKS OFF THE LEASH

GERMANY'S No.1 KORN TRIBUTE

## .PRESS TEXT.

**Freaks Off The Leash** – five passionate musicians from the Wiesbaden/Frankfurt (GER) area, united by a common mission: to bring the raw energy and unmistakable sound of the "early 2000s" KoRn era back to the stage.

With powerful riffs, low-tuned guitars, and a brutal wall of bass that reaches from the tips of your toes to the pit of your stomach, they bring the nu-metal legends back to the here and now.

The live set consists of KoRn's most iconic tracks – including, of course, anthems and best-of hits like "Freak on a Leash," "Did My Time," "Blind," and many more.

We invite you to an evening full of nostalgia, emotion, and uncompromising live power. Let yourself be swept away on a musical journey through time into the dark, energetic world of 90s and 2000s metal – between melancholic guitars, brutal breakdowns, and pure adrenaline.

Music ON – World OFF. Right Now!
